

visiPad[®] SL46

The ultra-slim visiPad[®] SL46 turns effortless control of technology and media into a visual experience. With a depth of mere five centimeters, the platform for technology and media management fits snugly on the wall or in the room's flair as a free-standing solution. The optical horizontal extension of the touch screen itself makes the visiPad[®]SL46 an object d'art. The subtle aluminum design and carefully selected material options ensure the stylish appearance of the visiPad[®]SL46.
