

visiRemote 9400

The visiRemote 9400 is a modern combination of the full functionality and precious design. It is a fully graphical high end remote control with WiFi and IR connectivity. The visiRemote has a color touch screen with 3,5 inch display size. The visiomatic user interface for this remote control enables the customer to control his visiomatic system, using the pre-programming on-screen buttons. The remote control features a high-quality processing of aluminium and black glass.

visiRemote 9400
